***ORDER:***

The petitioner is employed as a Mechanic in APSRTC. He was issued a Charge Sheet, dated 18.08.1995, alleging his improper maintenance of the vehicles, for the month of June 1995, and was required to submit explanation as to why necessary disciplinary action shall not be taken against him. The petitioner submitted his explanation to the same. On a consideration of the same, the 3rd respondent passed an order, dated 19.10.1995, imposing the penalty of stoppage of annual increment for a period of six months and further directed that it shall have the cumulative effect on the future increments. Aggrieved thereby, the petitioner filed an appeal before the appellate authority and the same was rejected. Hence, this Writ Petition.

The only point urged by Sri G.Ravi Mohan, the learned counsel for the petitioner, is that the 3rd respondent imposed the penalty of stoppage of annual increment for a period of six months with cumulative effect without conducting departmental enquiry. He placed reliance upon the Judgment of the Apex Court in ***KULWANTH SINGH GILL v. STATE OF PUNJAB*** and submits that stoppage of increment is a major penalty and it cannot be imposed, except by conducting departmental enquiry.

Sri V.T.M.Prasad, the learned Standing Counsel appearing for the respondents, on the other hand, submits that the penalty imposed against the petitioner itself

is minimal, if the lapse on his part is taken into account.

It is a matter of record that the 3rd respondent imposed the penalty of stoppage of annual increment for a period of six months with cumulative effect, on the allegation that the petitioner maintained the vehicles improperly. Though a charge sheet was issued to the petitioner before the penalty was imposed, no departmental enquiry was conducted. I n ***KULWANTH SINGH GILL's case*** (supra), the Supreme Court held that stoppage of increments with cumulative effect is a major penalty and it cannot be imposed, except by conducting departmental enquiry.

In the ordinary course of things, the impugned order needs to be set aside, leaving it open to the 3rd respondent to pass fresh orders. To avoid further delay and complication in the mater, this Court is of the view that the impugned order can be treated as the one for stoppage of annual increment for a period of six months without cumulative effect.

Hence, the writ petition is partly allowed, directing that the order, dated 19.10.1995, passed by the 3rd respondent, shall be treated as the one for stoppage of annual increment for a period of six months without cumulative effect and that the petitioner shall not be entitled for any monetary benefits up to the date of this order. There shall be no order as to costs.
